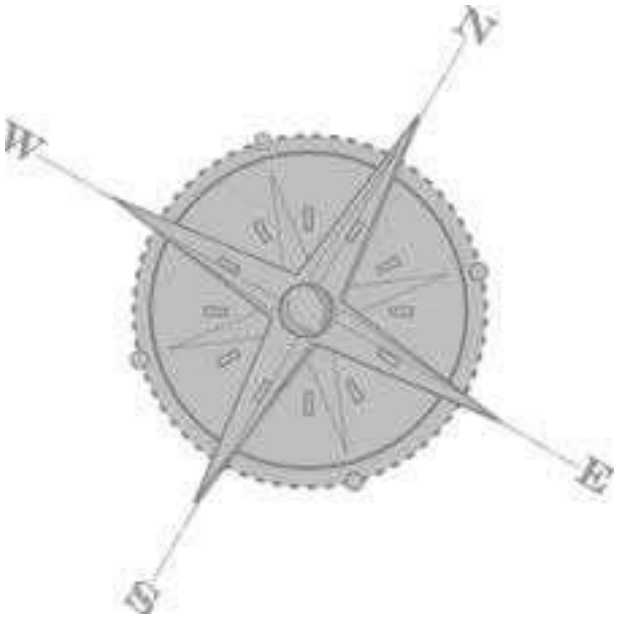
Teen Treks

5 Day



7/5/22 – 8/12/22
Recreation Department: (914) 232-6162

Summer 2022

Dear Parents:

We would like to welcome you and your child to the 2022 Lewisboro Teen Treks 3 day camp program. We are very excited to bring this full travel camp to our residents. We hope the following information will be helpful in making your child's summer an enjoyable one. We would like to remind you that camp home base will be at the **John Jay High School** this summer.

We have added some new trips this year and have once again offered some of our more popular trips. We hope the enclosed information will be helpful to you in planning for your child's Teen Treks experience.

This year we will be running 3 different buses – One for the 3-day program and two for the 5-day program. In an ideal world, your child(ren) would be able to pick the trip they would like to attend, but due to strict Health Department regulations as well as the Recreation Department policies your child is assigned to a particular bus and there will be **NO switching**. All camps will embark on a schedule which has them attending the same trips the vast majority of the time.

The first day of camp is sometimes a difficult situation for parents, campers and staff. We hope the information outlined in this booklet will minimize any confusion or questions you may have. Therefore, we encourage you to take the time to read and understand this booklet and the policies and procedures contained within, and to please feel free to call should you have any questions.

We look forward to having your children with us this summer and we are committed to providing a safe, fun-filled camp experience for them.

Sincerely yours,

THE LEWISBORO RECREATION DEPARTMENT
And THE LEWISBORO TEEN TREKS CAMP STAFF

STAFF

The Town of Lewisboro Teen Treks Program is run under the direction of trained staff of professionals and counselors. Our Teen Treks Directors are educators in the state of New York. Our counselors are all college students or graduates with prior experience as a camp counselor or experience working with children, especially with this age group.

Our Aquatics Director is Audrey Campisi. This is Audrey Campisi's first year as Aquatics Director, and it is her fifth year working in aquatics at the Lewisboro Town Pool. Audrey holds the following certificates: CPR, First Aid & Lifeguard Training, Lifeguard Management, and Water Safety Instructor. She will be working with a team of 7 this upcoming summer overseeing the Town Camp's Aquatics.

The Town of Lewisboro works cooperatively with the Katonah-Lewisboro School District who provides all transportation to and from camp under supervision of our transportation coordinator Chris Dilillo. He has been employed with The Town of Lewisboro, Parks and Rec summer camp program, since 2011. He is very excited to step up to the position of Transportation Supervisor, especially with camp operating at full capacity again. There are two drivers returning after a 2-year hiatus and he has recruited 7 new drivers, who are some of the best from KLSD. He is so happy to have such an experienced transportation staff, that will make for a safe, enjoyable and successful 2022 summer camp.

Under New York State and Westchester County Health Department regulations, we must have one staff member per 200 campers certified in CPR for the Professional Rescuer and one staff member per 200 campers certified in American Red Cross Responding to Emergencies First Aid. The Town of Lewisboro Teen Camp exceeds these requirements.

COVID PROCEDURES

DAY CAMP – POSITIVE COVID-19 CAMPER OR STAFF PROTOCOL (PER THE WESTCHESTER COUNTY HEALTH DEPARTMENT)

Campers or staff who test positive for Covid-19 must be isolated from other campers/staff and excluded from the camp for at least 5 days. Isolation ends after 5 full days if the individual is fever-free for 24 hours without the use of fever-reducing medication and other symptoms have improved. Masking continues to be required upon return from isolation during days 6 through 10. Individuals must wear a well-fitted mask and should social distance. If unable to wear a well-fitted mask the entire time at the facility, they may not return for 10 days.

DAY CAMP NON-VACCINATED EXPOSED CAMPER OR STAFF PROTOCOL

If a camper or staff member is exposed to Covid-19 at camp, we will take the following measures:
For asymptomatic non-vaccinated campers and staff, we will require mask wearing from the date of the exposure or potential exposure (Day 0) and testing at least twice through day 5. Testing on day 5 after exposure will be required to detect infection among individuals identified as exposed or potentially exposed. Masking continues to be required during days 6 through 10. Individuals must wear a well-fitted

mask and should social distance. If unable to wear a well-fitted mask the entire time at the facility, they may not return for 10 days.

DAY CAMP UP TO DATE EXPOSED CAMPER OR STAFF PROTOCOL

Asymptomatic campers and staff who are up to date with vaccines or have recovered from laboratory confirmed Covid-19 in the previous 3 months may remain at camp. Testing on day 5 after exposure will be required to detect infection among individuals identified or potentially exposed.

PERMIT

The Town of Lewisboro Teen Camp Program:

1) Must have a permit to operate from the Westchester County Health Department

2) Is required to be inspected twice yearly

Inspection reports and required camp written safety, medical, and fire safety plans are on file at the Westchester County Health Department, Bureau of Public Health Protection located in Mt. Kisco, NY and are available for your review.

RAINY DAYS

In the event of inclement weather/rain, a rainy day schedule will be implemented, i.e.; bowling, movie, etc. Please be advised that trips that are cancelled due to bad weather may not always be able to be rescheduled. Also, please note, trips that are cancelled due to inclement weather that were scheduled for a late pick-up (after 3:00 pm) will be picked up at **3:00 pm**, therefore, campers must be picked up at where they were dropped off that morning or at their respective bus stop. Should you have any questions as to the time of pick-up, please call the Recreation Office at (914) 232-6162, or check out our website www.lewisbororecreation.com under CAMP, or Facebook under Lewisboro Parks and Recreation Department.

NOTES

For the safety of your camper, written parental permission (note) must be sent for the following:

- If your child is to leave camp with a friend, neighbor, relative or someone other than their usual ride.

- To give your child permission to walk home from the bus stop without you meeting him/her there

- To ride a bike home from John Jay High School or their assigned bus stops

If your child's counselor does not receive a note, your child will not be released until you have been contacted. For car pools or arrangements that will last the summer, one note specifying the days and persons picking up/dropping off your camper will be kept on file for the summer. Each parent must send a note specifying the above. If something changes in your car pool, a new note must be sent.

SWIMMING

On occasion, campers may swim at the Town Park Pool for recreational swimming. This will usually occur when a trip is leaving late. In addition, swimming trips to various swimming facilities/water parks may have been planned. Under New York State and Westchester County Health Department regulations, all non-swimmers must be readily identifiable, i.e.; wear a bathing cap, wrist band, etc. The Town of Lewisboro Teen Camp will be using neon wristbands to identify our non-swimmers. In addition, our campers who are classified as swimmers will be wearing a different colored neon wristband. This has been added as an extra level of safety to ensure that a non-swimmer cannot take off their wristband and proceed to a swimmer area (which formerly did not use wristbands). Therefore, all campers must wear a wristband in order to swim. Wristbands will be given to each camper and then collected after their swim time.

ALL CAMPERS WILL BE TESTED TO DETERMINE THEIR LEVEL OF SWIMMING ABILITY ON THE FIRST DAY OF CAMP. WE ARE HIGHLY ENCOURAGING ALL TEEN TREK CAMPERS TO MAKE AN APPOINTMENT WITH THE POOL STAFF (IF THE POOL OPENS BEFORE CAMP) TO GET TESTED BEFORE CAMP STARTS. LATE ENTERING CAMPERS MUST MAKE ARRANGEMENTS THROUGH THE TEEN CAMP DIRECTOR AND AQUATICS DIRECTOR TO BE TESTED PRIOR TO THEIR FIRST SWIMMING ACTIVITY. CAMPERS MUST BE TESTED AND MUST BRING THEIR BATHING SUIT AND TOWELS ON JULY 5th FOR THE POOL PARTY.

CAMPERS WILL NOT BE PERMITTED TO ATTEND ANY BATHING FACILITY/WATER TRIPS UNTIL THEY HAVE BEEN TESTED.

NON-SWIMMERS MAY BE PROHIBITED FROM ATTENDING CERTAIN WATER RELATED TRIPS (i.e.; MOUNTAIN VALLEY KAYAK) WHERE DIRECT SUPERVISION IS NOT PROVIDED. FINAL TRIP APPROVAL FOR NON-SWIMMERS IS LEFT TO THE DISCRETION OF THE TEEN CAMP DIRECTOR AND THE RECREATION OFFICE.

MEDICAL FORMS

New York State and Westchester County Health Department regulations require that all children attending private or public day, travel, or sleep away camps must have their medical history on file **BEFORE** they may start camp. If you do not have your form on file prior to the start of camp, your child will not be admitted to camp until the form is completed.

If your child is required to take any type of medication during camp hours, a Medical Authorization Form **MUST** be filled out by the parent **AND** physician, and handed in with the medication the first day your child attends camp. This includes inhalers that may only be needed on an as needed basis. Medication will be left with the camp's on-site assistant health director who will oversee and supervise the child in self-administering their own medication. By law, camp personnel cannot dispense internal medications to the child unless they are a NYS licensed physician, nurse practitioner, physician assistant or registered nurse. Written permission can be given by both the physician and parent to allow the camper to carry medication that is needed for emergency purposes (i.e.; epi-pen; asthma inhaler).

TRANSPORTATION

Campers will be transported by a Katonah-Lewisboro School bus for all their trips with the exception of few select trips where coach buses will be utilized. Bus rules at school apply to camp as well. Proper bus behavior will be strictly enforced. Rules to follow are:

- No sticking any part of the body out of the windows
- No throwing objects in or around the bus or out of the bus
- No shouting from or in the bus
- No standing in or moving through the aisles of the bus
- Campers and staff must remain seated until the bus has come to a complete stop
- No rough housing on the bus
- No speaking to, calling to, or signaling to passing motorists or other persons outside the bus
- No gum chewing at any time on the bus
- No eating or drinking on the bus, except water (unless special permission is given by the bus driver and camp director for extended trips)

BUS STOPS

It is the parent's responsibility to be at the bus stop to pick up their child. A written note from the parent must be turned into the bus driver if the child is allowed to walk home from the bus stop, is to be picked up by someone other than their parent, or if the child will not be taking the bus home on a particular day. If a parent is going to be delayed, he/she must notify the camp director or Recreation Office and have someone at the bus stop to pick up their camper. We cannot leave your child unattended without express written consent from a parent/guardian. **If, after 5 minutes of waiting, your child is not picked up, he/she will be brought to the After Hours program (up until 6:00 pm) where the parent is expected to pick up the camper if they have not turned in the aforementioned form.** At times, two to three buses may be arriving at a bus stop at one time. In order to assure that all campers are unloaded safely and to account for the children at all times, the parent or authorized guardian must approach the bus door to retrieve their child. At that time your child will be let off the bus. Transportation is a privilege and can be revoked at any time due to misconduct.

LATE PARENTS

Parents are expected to be at the pick-up area promptly at dismissal time. If a parent will be late, he/she must have someone at the pick-up site to pick up their child **AND** must call and notify the camp director or Recreation Office. We realize there are sometimes unforeseen circumstances; however, repeated lateness will not be tolerated. Although we understand there are extenuating circumstances, repeated lateness will not be tolerated; a charge of $20 will be implemented for repeated late arrivals.

CAMP SHIRTS

Each camper will receive two camp shirts on their first day of camp. **THESE SHIRTS MUST BE WORN DAILY**. **YOUR CHILD WILL NOT GO ON ANY TRIPS WITHOUT THEIR T-SHIRT ON.** This helps us identify your camper at the various trip facilities. This is also a New York State and Westchester County Health Department regulation. Additional camp shirts are on sale for $5 a piece at the Recreation Office. Camp Shirts will be handed out the first day of camp to be worn that day.

LUNCH AND DRINK

There are trips that require campers to bring lunch. Campers who will be bringing lunch on trips are asked to bring non-perishable foods only. We recommend sending lunches packed with a freezer pack
NO GLASS CONTAINERS OR GUM CHEWING ARE ALLOWED ON THE BUSES!

ADDITIONAL EXPENSES

All trips and admissions to facilities are paid for through your registration fees. However, money for lunch (when not included), arcade money, gift shops, souvenirs, etc. are not included. Please consider this before each of your child's trip.

NOTE - Teen Camp is designed for the mature, responsible teen. We have a **ZERO TOLERANCE POLICY** (please refer to the behavior policy that accompanied your registration forms) if your child is verbally or physically abusive to any of the staff, peers, or other patrons, they will be dismissed from camp without a refund. On some trips, 8th & 9th graders have the opportunity to go off in small groups on their own, and have regular meeting times scheduled throughout the day. Abuse of this privilege can result in suspension from camp without credit or refund. We encourage parents to explain to their campers the responsibility that comes with being a camper in this camp. If you do not wish your child to be extended this privilege, you must send a note to the Camp Director indicating this.
