Dear Caregivers,

Welcome to Lewisboro's Summer Mini Camp 2026! We are so excited to share time with your child whether it's for one week or both weeks. This year's Mini Camp dates are:

- **Week 1:** Monday, August 10th – Friday, August 14th
- **Week 2:** Monday, August 17th – Friday, August 21st

Summer Mini Camp will be at the Lewisboro Town Park on Route 35 in South Salem. The rainy day location will be Lewisboro Elementary School at 79 Bouton Road, South Salem. If we are to move indoors, you will be notified by email and we will post it on our website.

Our camp will be offering a variety of activities for the campers to enjoy each day. Arts & crafts, sports and games, nature, track, and swimming will compliment this well-rounded program.

Please take the time to read and understand this handbook. It has everything you need for a successful Mini Camp experience including Week 1 Thursday trip details, lunch forms, & more. Group assignments and schedules will be available on our website under "Camp."

We look forward to having your children with us this for Mini Camp and we are committed to providing a safe, fun-filled camp experience for them.

Sincerely yours,

Camp Staff

The Town of Lewisboro Day Camp Program is run under the direction of a trained staff of professionals and counselors. Our Mini Camp Director this year is Diana Adorno, and she will be assisted by Maria Valvano.

Our specialists have experience in their area of specialty (sports, nature, art, etc.) as well as working with children. In addition, all our counselors are a minimum 16 years old or over. Most have some experience in working with children and are required to attend a mandatory staff training program as mandated by Westchester County and New York State Board of Health.

Under New York State and Westchester County Health Department regulations, we must have one staff member per 200 campers certified in American Red Cross Responding to Emergencies First Aid and one staff member per 200 campers certified in CPR for the Professional Rescuer. The Town of Lewisboro Day Camp exceeds these requirements.

Our Aquatics Director is James DeNoia. This is James' first year as Aquatics Director, and it is his second year working in aquatics at the Lewisboro Town Pool (4th overall as a lifeguard). James will be working with a small team of camp aquatics lifeguards.

IMPORTANT FORMS

Medical Forms

New York State and Westchester County Health Department regulations require that all children attending private or public day, travel, or sleep away camps must have their medical history on file **BEFORE** they may start camp. If your form is not on file prior to the start of camp, your child will not be admitted into camp until the form is complete. If your child is required to take any type of medication during camp hours, a Medical Authorization Form **MUST** be filled out by the parent **AND** physician and handed in with the medication the first day your child attends camp. This includes inhalers that may only be needed on an as needed basis. Medication will be left with the camp's health director who will oversee and supervise the child in self-administering their own medication. By law, camp personnel cannot dispense internal medications to the child unless they are a NYS licensed physician, nurse practitioner, physician assistant or registered nurse. Written permission can be given by both the physician and parent to allow the camper to carry medication that is needed for emergency purposes (i.e.; epi-pen; asthma inhaler).

Release Form

When you registered your child for camp, the release form you signed indicates that your child(ren) will participate in regularly scheduled camp activities (i.e.; arts & crafts, swimming), special events (i.e.; water carnival, moon bounce) and off-site trips. If there is an activity you do not wish your child to participate in, you should notify the Camp Director, Diana Adorno, in writing.

SWIMMING

All mini campers will swim once per day at the Lewisboro Town Pool under the supervision of the Camp Aquatics team & lifeguards.

If your child has already been swim tested at Main Event Camp, that test will carry over to Mini Camp. If your camper did not attend Main Event Camp and is in 2nd grade or above, they will have the opportunity to take their swim test on their first day of camp. Campers who choose not to participate in the swim test will automatically be classified as non-swimmers.

Kindergarten and 1st grade swimmers will automatically be classified as non-swimmers. 2nd grade & older will be swim tested according to the following swim test:

- Feet first entry into deep end water & fully submerge
- Swim 50 yards continuously using any stroke (except doggy paddle)
- Tread water for 30 seconds
- Float on back for 10 seconds
- Rotate 360 degrees & orient to the exit
- Exit the water

Under New York State and Westchester County Department of Health regulations, all non-swimmers must be readily identifiable while participating in aquatic activities. To comply with these requirements, the Town of Lewisboro Day Camp will use red neon wristbands to identify non-

swimmers. Wristbands will be distributed at the beginning of swim time and collected at the conclusion of each swim period.

As an additional safety measure, campers who have successfully passed the swim test and are classified as swimmers will wear green neon wristbands. This ensures that all campers in the pool area are clearly identified and helps prevent non-swimmers from entering designated swimmer areas.

All campers must wear their assigned wristband in order to participate in swimming activities.

Any swimming-related concerns or notes should be submitted in writing to your child's counselor. Please place the note in a sealed envelope marked: **Attention: James DeNoia, Aquatics Director.**

Swim Attire/Gear

Campers should wear their bathing suit under their clothing and bring their change of clothes in their backpack to change into after their swim time on their regularly scheduled swim days. This will alleviate the need for two complete changes which is extremely helpful, particularly with our younger campers.

The following items are necessary for swim time: bathing suit, towel, sunscreen, and hair ties (for children with long hair). The following items are optional: goggles, bathing cap, brush/combs, and ear plugs/wax.

All towels, clothes, lunch boxes/bags should be clearly labeled with your child's name to prevent their valuables from ending up in the lost and found.

CAMP DAY ESSENTIALS

Clothing

Campers should come to camp as comfortable as possible. Shorts, short sleeve shirts, and sneakers should be worn. Sandals are **NOT** recommended. Rain coats and rain gear should be worn in rainy weather. Swimsuits and towels should be brought daily.

Lunch, Snack & Drink

All campers should bring their lunch and water bottle each day. They may also purchase a bagged lunch from the pool concession stand. The lunch order form is included on the last page of the handbook. The concessionaires will collect order forms at the beginning of the day so please make sure they are completed ahead of time. In addition, please send a snack with your camper every day including our trip day.

Lunch boxes or insulated lunch bags with a freezer pack should be used. To ensure a cold drink, you may want to freeze your child's water overnight and allow it to thaw during the day. There is no refrigeration at the Mini Camp; therefore, lunches should contain non-perishable foods. Limited refrigeration is available for medications, etc. **Please, no glass containers!**

Lunch through Lily's Snack Shack at the pool is \$15 per day.

On Fridays, pizza is provided to all campers at no charge. Please let us know ahead of time if your child is allergic to gluten or dairy and we can accommodate them.

Personal Belongings

We ask that parents do not allow their children to bring their own personal belongings to camp (i.e.; toys, ear pods, phones, books, etc.). We cannot be responsible for their safe keeping and it sometimes causes friction within the groups particularly with our younger campers.

Sunscreen

We suggest you apply sunscreen to your child prior to going to camp each day and send sunscreen with your child to camp. Counselors will be asked to remind their campers to apply sunscreen throughout the day and will assist younger campers who need help applying it if written permission is given to the camp.

CHANGE IN ARRIVAL/DISMISSAL & LATE PARENTS

Late Arrivals/Early Departures

Daily attendance will be taken at camp. If you arrive late in the morning or pick up your camper before regular dismissal time, you must sign your camper in/out at the Day Camp office. The Day Camp Office at Town Park is located under the pavilion. If you are picking your camper up early, you **MUST** send a note with your camper to give to their counselor. **PLEASE INCLUDE YOUR CHILD'S FULL NAME, GROUP, DAY, DATE, and TIME you will be picking up your camper.**

Notes

If you are changing your camper's dismissal, please fill out a change in dismissal form (located on page 10). This must be handed to your camper's counselor on the day of the dismissal change. Please have campers arrive with it **in their hand** so they are ready to give it directly to their counselor. This will help us avoid any lost or forgotten notes. If no note is received by your child's counselor, your child will not be released.

For the safety of your camper, parental permission must be submitted for the following:

- **If your camper is to leave camp with a friend, neighbor, relative, or someone other than their usual ride.**
- **Also, if your child is ill, it is not necessary to notify us.**

For carpools or arrangements that will last for the summer, one note specifying days and persons picking up/dropping off your camper will be kept on file for the summer. Each parent within the carpool must send a note specifying the above. If something changes in your carpool, a new note must be sent.

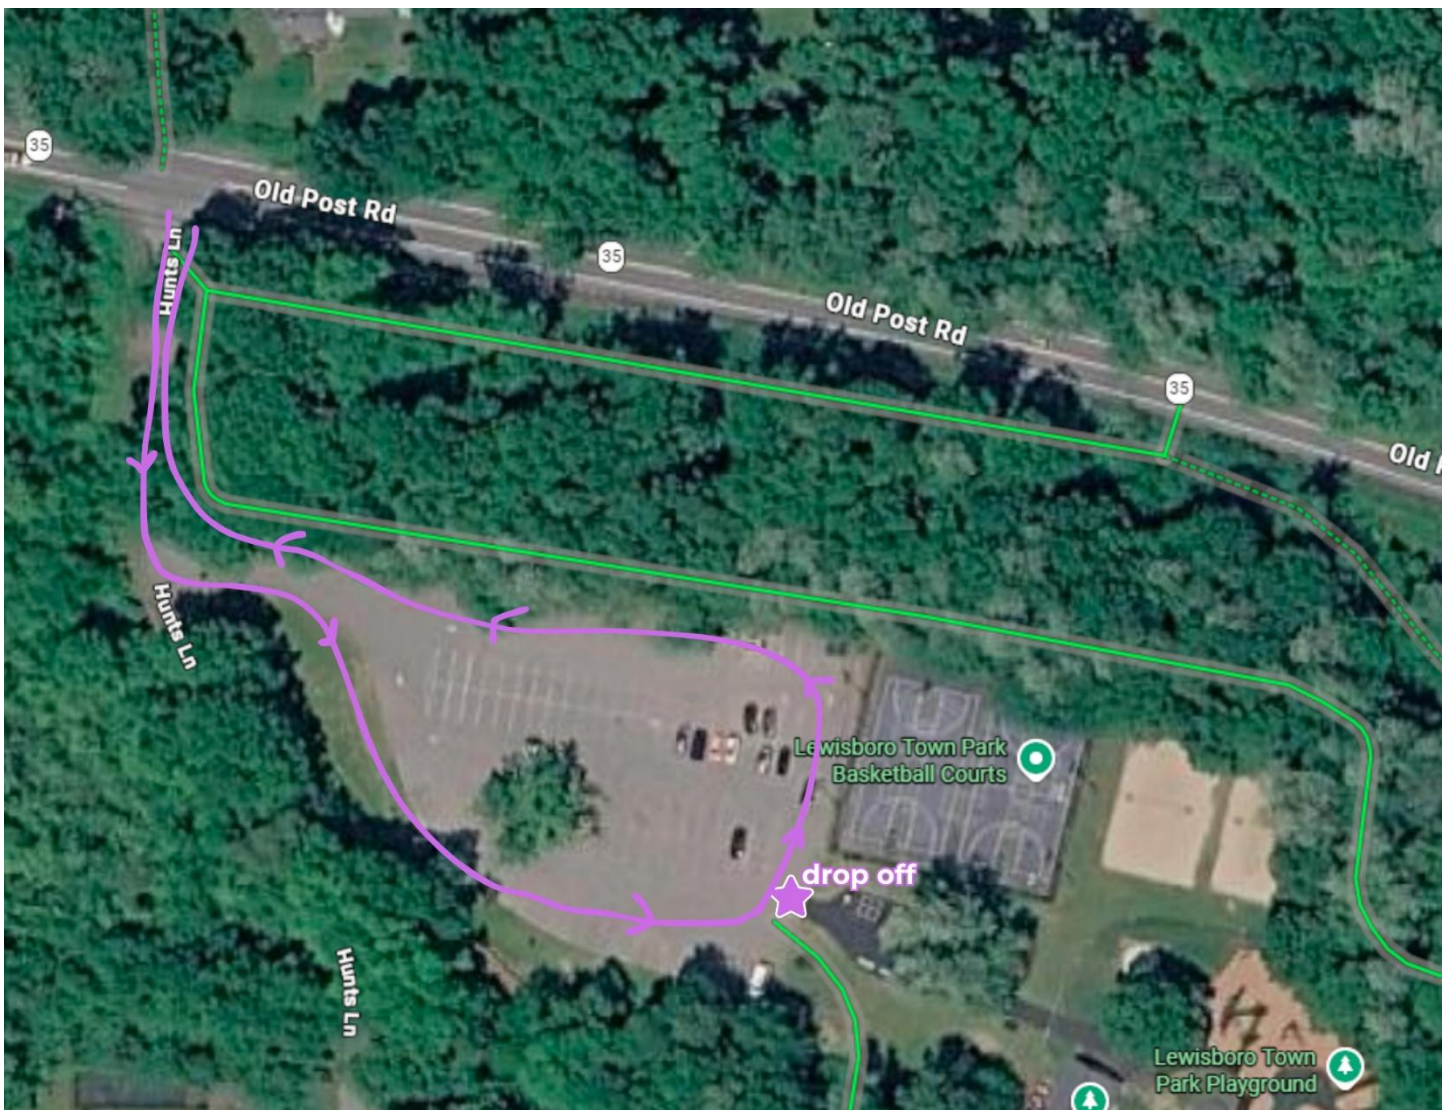

Late Caregivers

In order to cover unbudgeted expenses, the Town will charge \$20/child per every 15 minutes of supervision past program end time with the first 15 minutes as a grace period (unless the grace period is abused consistently.)

ARRIVAL/DEPARTURE PROCEDURES

The arrival and departure procedures at each camp site are extremely important to the safety and efficiency of our program. We ask that all families follow the established traffic patterns and the directions provided by our traffic coordinators at Town Park.

Please pull up to the basketball courts at Town Park as noted on the map below. A counselor or specialist will open your car door for your camper, help with their belongings, and escort them to their group. If you prefer to walk them in yourself, please park in a parking spot and walk them in.

Please use the following template if your child will be picked up by someone other than a parent/guardian or someone listed on your pickup authorization form. Detach and hand the form directly to your child's counselor on the appropriate day. **One form per child.** Additional forms will be available in the camp office.
